

## Life Like Death Carries

Touch of Eternity

Embrace me dear past  
Let me live again those days  
Oh my tide-lasting memory  
Let me dive past thee

Thus from my earthly bounds  
I was released without doubt

I vanished - now I'm nothing  
"I'm in your memories"  
I vanished - now I'm aching  
"Life like the death carries"

Pale I see you just as always  
Time has taken cost of the days  
Mourn me or mourn me not  
To eternity I am forgot

I vanished - now I'm nothing  
"I'm in your memories"  
I vanished - now I'm aching  
"Life like the death carries"
