

Withering Tongue

Touch of Eternity

Your eyes, your hair
I feel you next to me
As silent songs are played
To us by yard's trees

No matter we age
Nor holds meaning the greys
As our spines curve
Shall our hearts remain

"I won't let go
I won't leave you alone"
Hear my last words
From my withering tongue
"I won't betray you
I won't leave and go"
Hear my last words
From my withering tongue

Days like pouring rain
Have fled from my memory
It's been countless years
I spent by your grave

Here I sit again
Singing our wedding song
My feet hold no more
Darling I'm coming home

"I won't let go
I won't leave you alone"
Hear my last words
From my withering tongue
"I won't betray you
I won't leave and go"
Hear my last words
From my withering tongue

From a weary heart
With warmth and love
I sing to you my dear
Our song
From a withering tongue
With tears of lost
I sing to you my dear
Our song
