

## Uppers/Downers

Touché Amoré

you won't find me buried in a notebook  
I'll be the one that's self crucified  
because I did this to myself  
I hammered my own nails  
while I exclaim  
I'm not a poet to inspire  
I barely made it through  
the expectations of myself  
and everything I do  
to look up to me is to look down on everything
