

# You Get What You Pray For

Tourniquet

All of a sudden  
this big world will end  
Billions of people  
will wish it never began (Rev 9:6)  
Let us pray  
No amount of wisdom (John 5:39-40)  
stature or wealth (Matt 19:24)  
will impress the ever-loving God  
or (that is) Christ Himself  
Let us pray  
You get what you pray for (Matt 7:7-10)  
Forgiveness and grace Lord  
Ohh - That's what I need  
You get what you pray for  
Salvation is there for you  
Get on your knees  
Do you really think that God grades on a curve  
when all of the answers are found in the Word (2 Ti 3:16, James 1:22-25)  
Let us pray  
Who shall you blame  
when you're standing in flames  
Ya can't pray to Jesus  
He won't know your name  
Let us pray (Rev 20:15)  
You get what you pray for (1 John 3:22)  
and that's what it's there for  
Ohh - That's what I need  
You get what you pray for  
and God knows what's best for you (Mark 4:24, Mal 3:10-11)  
Oh - Get on your knees  
You say there's so many things that you need (Duet 28)  
You never get them cause they would deceive (you)  
A man can't stumble when he's on his knees (John 11:9-10)  
So let us pray!  
All of a sudden God's grace will be torn  
Billions of hell bound will wish they never were born (Matt 22:33)  
Let us pray  
None of your excuses  
or shattering yells  
will turn the head of God  
who once called for your help (2 Ti 2:12, Matt 25:41-46)  
You get what you pray for (John 15:16)  
and that's what it's there for  
Oh - that's what I need  
You get what you pray for  
what more could you ask for  
Oh - but ya gotta believe! (Mark 9:23)  
You say there's so many things that you need  
You never listen so you won't receive  
Seek first the kingdom He knows what you need before you pray  
You get what you pray for
