

## Disco Tits

Tove Lo

I say hi, you say hi  
We stay high  
You look so pretty, yeah

I'm sweatin' from head to toe  
I'm wet through all my clothes  
I'm fully charged, nipples are hard  
Ready to go  
I'm sweatin' from head to toe  
I'm wet through all my clothes  
I'm fully charged, nipples are hard  
Ready to go

No, I don't, I don't have a type  
Take a hit  
Come on over tonight  
Take a hit  
You can follow my bloodstream  
No, I don't have a type

Live right now, peakin' on top  
So wild now, I'm high as fuck  
Don't look down  
My mind, you can relax  
I know how to dial it back  
Not this time

I say hi, you say hi  
We stay high  
You look so pretty, yeah

I'm sweatin' from head to toe  
I'm wet through all my clothes  
I'm fully charged, nipples are hard  
Ready to go

I'm no chemist, but it's good shit

I'm sweatin' from head to toe (oh)
