

# Moments

Tove Lo

I grew up with a lot of green  
Nice things round me, I was safe, I was fine  
Grew up with a lot of dreams  
Plans who to be  
None of them that were mine  
I love freaks, I don't care if you're a wild one  
I love freaks, I don't care if you're a wild one  
And me

I, I'm not the prettiest you've ever seen  
But I have my moments, I have my moments  
Not the flawless one I've never been  
But I have my moments, I have my moments  
I can get a little drunk, I get into all the dont's  
But on good days I am charming as fuck  
I can get a little drunk, I get into all the dont's  
But on good days I am charming as fuck

I can be the perfect one, but I make you come  
And I'm locked in your mind  
You can say I don't belong  
That I'm so wrong  
I can tell, tell you lie

I love freaks, I don't care if you're a wild one  
I love freaks, I don't care if you're a wild one  
And me

I, I'm not the prettiest you've ever seen  
But I have my moments, I have my moments  
Not the flawless one I've never been  
But I have my moments, I have my moments  
I can get a little drunk, I get into all the dont's  
But on good days I am charming as fuck  
I can get a little drunk, I get into all the dont's  
But on good days I am charming as fuck

Rough around the edges, memories and baggage  
You know me  
Never play a safe card, when I go, I go hard  
And now you know

I, I'm not the prettiest you've ever seen  
But I have my moments, I have my moments  
Not the flawless one I've never been  
But I have my moments, I have my moments  
I can get a little drunk, I get into all the dont's  
But on good days I am charming as fuck  
I can get a little drunk, I get into all the dont's  
But on good days I am charming as fuck
