

# Stranger

Tove Lo

Fading out, that's my way of life  
Losing high when the beat goes down  
Take me now, take me to a place we're alone, we're alone  
Fading in, take off all my clothes  
Into you, my frustration grows  
Take me now, want you to bring me home

You're my stranger in the dark  
I am lonely, lonely heart  
Waiting for someone to take me home  
You're my stranger in the dark  
I am lonely, vagabond  
Hold me down, want you to bring me home

Let's begin, love making you beg for the win  
I'm the prize you get if you do everything I say  
Get you high, I get you high  
I wanna be what you want me to be  
I'd go anywhere, no rules, I don't care  
Whoa, just take me home

Oh, my stranger in the dark  
I am lonely, lonely heart  
Waiting for someone to take me home  
You're my stranger in the dark  
I am lonely, lonely heart  
Waiting for someone to take me home  
(Someone to take me home)  
You're my stranger in the dark  
I am lonely, vagabond  
Hold me down, want you to bring me home

So you're my last hope and, and I don't care what you do  
Leave my heart open, I'm gonna leave it for you  
You can walk on it, I wanna hurt, feeling used  
Take the edge off it, just take the edge off it
