

# Timebomb

Tove Lo

You made your way in as I was leaving  
You cut in the line just as I was getting my stuff  
And I couldn't decide if you were the most annoying  
Human being I ever met!  
Or just the best thing that ever happened,  
Just the best thing that ever happened?

You took the key out of the ignition  
I could hear the rain on the windows  
Right then and there I made up my mind to just go with it!  
I think that was the worst thing that could happen  
And the worst thing that could happen it could be the best thing ever

We're not forever, you're not the one  
We're not forever, you're not the one  
We're not forever, you're not the one  
You & I could be the best thing ever!

When I'm happily ever after we don't got what it takes  
And we don't make plans 'cause we're never gonna last  
We're not forever, you're not the one  
You & I, we're a timebomb bomb bomb bomb  
We're not forever, you're not the one  
You & I, we're a timebomb bomb bomb bomb

I shut the door and I don't look back, when something this good comes  
along  
You're better off, letting the first time, be the last time  
But really! what's the worst thing that could happen!  
When the worst that could happen,  
It could be the best thing ever!

We're not forever, you're not the one  
We're not forever, you're not the one  
We're not forever, you're not the one  
You & I could be the best thing ever!

When I'm happily ever after we don't got what it takes  
And we don't make plans 'cause we're never gonna last  
We're not forever, you're not the one  
You & I, we're a timebomb bomb bomb bomb  
We're not forever, you're not the one  
You & I, we're a timebomb bomb bomb bomb

We're not forever, you're not the one  
You & I could be the best thing ever!  
We could be the best thing ever! forever!  
You & I, we're a timebomb bomb bomb bomb  
We're not forever, you're not the one  
You & I, we're a timebomb bomb bomb bomb
