

# You Got To Funkifyze

Tower of Power

(You got to funkifyze)  
(You got to funkifyze)  
(You got to funkifyze)  
(You got to funkifyze)

Move to the music, got to shout and shing-a-ling,  
You got to groove with the rhythm, girl, get slick and shake that thing  
(Shake that thing), Yeah, just let it be for real,  
If you've got the power.  
Now you all know what you got to do,  
You can't lay dead, just catch the groove, oh!  
(You got to funkifyze) Say,  
(You got to funkifyze) Now if you want to get funky, like a bow-legged

Monkey,  
I'm telling you;

(You got to funkifyze)  
Got to kick to the backbeat before you get too old,  
You got to flash to the fire and let it grab your soul! (Grab your soul)  
Ha, ha, ha, ha! Just let it be for real, bop to the rock,  
If you've got the power.  
Now you all know what you got to do,  
You can't lay dead, just catch that groove, oh!

(You got to funkifyze) Well,  
(You got to funkifyze) Now if you want to get funky, like a bow-legged  
Monkey,  
I'm telling you;  
(You got to funkifyze)

They say it's in the blood,  
(In the blood, in the blood)  
Yeah, they say it's in the blood, yeah,  
(In the blood, in the blood)  
Somebody said it's in the blood, now,  
(In the blood, in the blood)  
Well, they say it's in the blood, girl,  
(In the blood, in the blood)  
But don't you know it's in your soul,

(Don't you know it's in your soul)  
Don't you know it's in your soul, boy,  
(Don't you know it's in your soul)  
Ah, don't you know it's in your soul, mama,  
(Don't you know it's in your soul)  
Don't you know it's in your soul, girl,  
(Don't you know it's in your soul)

(You got to funkifyze) I'm tellin' you, know.  
(You got to funkifyze) That's all you've got to do, now.  
(You got to funkifyze) Talkin' 'bout that that funkiness, yeah, yeah,  
Yeah.  
(You got to funkifyze) Oh, Woh, Oh, yeah.  
(You got to funkifyze) If you've got the power.  
(You got to funkifyze) And let it be for real, why don't you?  
(You got to funkifyze) And I'm telling you right now!

(You got to funkifize)
