

Metal Attack

Toxic Holocaust

Death through your body
Death through your life
Summon the dead
Demons at night
Attack with no mercy
Conquer the world
Warriors of Hell
Death will unfold

Metal attack onto the world
Nuclear war. Out come now
Fist in the face. On Jesus Christ
Killing ourselves just to save our lives

Recessing your body
Recessing your life
Death to your God
Fuck Jesus Christ
Nothing to live for
What turns to ash
Final command
As Satan laughs

Summon the dead
Metal attack
Watch us destroy

Final command
Metal attack
Watch us destroy

Heavy metal attack! (3x)
Heavy Metal ATTACK!!!
