

The Stalker

Toxic Holocaust

Out in the dark
Looking for you
Looking for the kill
Don't know what I'll do
Sucking my brain
Ready for attack
Knife ready
Hid by my back

YOU'RE DEAD!
YOU'RE DEAD!
YOU'RE DEAD!
YOU'RE DEAD!

Hiding in the shadows
Don't know what I'll kill
Slit your fucking throat
Burns on my bill
Meet me at the gutter
Picture spoiled meet
Another dead body
Another body creet
