

People Suck

Toxic Narcotic

war for race church and state or just for hate annihilate oppress enslave pollute and waste rape and bum with no concern till all is spent all races creeds religious secrets or governments people suck destroy the earth with greed and thirst to come in first power sick with envy lust and genocide do you need another fucking reason why people suck i'll say it to your face fuck you you fuckin fuck i hate the human race fuck you you fuckin fuck it's just a useless waste fuck you you fuckin fuckcouse im a human racist and peoplefuckin suck it is no surprise you close your eyes and hope it goes away when will you realize power corrupts and that will never change don't believe the lie that there can be any peace or unity humanity must die then there will finally be equality
