

# World Circus

Toxik

Ladies and Gents  
We welcome you now to the show  
A game we like to play

When your turn comes we'll let you know  
The game is their world  
The circus is all of tricks  
Democracy, hypocrisy, cash junkies all need a fix

Oh, but God can save us all  
Bow to his glory and now prepare for the fall  
Of the...

World Circus/World Circus

USSR and United States represent all  
Biggest nation, main attraction  
The people holding the bail  
Some small sweaty country  
Is where the first acts will all die  
Out of the air into despair  
That's how the circus survives

Oh, but we could save us all  
Forget their religion and think for yourselves  
Once, and for all, before the...

World Circus/World Circus

Lights, Flashing  
Ash, fills the air  
Open, the sky is bleeding  
Circus, is everywhere

Breathe in the air of disgust  
And it will make you gag  
Chemicals, they're filling the air

Money in some fat man's bag the illness that infects your immunes  
And leaves you quite dead  
Who'd believe, who'd have conceived  
Our book was already read

Oh, but God can save us all  
And if you believe you're a fool, and surely  
Will fall, to the...
