

Bad Feelin'

Toxique

Do you know that feelin'
When there's no what to do
Whatever you are saying
Nobody listen to you
Searching for a good friend
To have somebody to talk
P.s.: I'm pretty tall, brown hair,
I love music and fast walk

Never coming back
I'm never coming back
I'll never come back
I'm not coming back

while I'm in a crowd of people
I feel so alone
I feel like I'm looking for someone
who will understand me
what I feel, why I cry,
what I say, why I deny

Never coming back
I'm never coming back
I'll never come back
I'm not coming back

I'm fallin' deeper and down, down into the ground....
