

Shout

Toxique

Lets clap, clap - there is no reason to fight
Lets clap, clap - our hands are ready to start
The beat is callin' - body is shaking it out
Lets clap, clap

Hey boys, boys - you see this beauty
Hey girls, girls - show them you are naughty
Signal is commin' - keys are playing it out loud

We wanna SHOUT SHOUT SHOUT when love is around
We wanna SHOUT SHOUT SHOUT and let it all out
We wanna SHOUT SHOUT SHOUT the reason is simple
SHOUT SHOUT SHOUT

Why whisper, whisper - we have nothing to hide
Why whisper, whisper - our night is ready to start
Lets just get waisted - and leave our worry behind
Why whisper, whisper

Hey boys, boys - what are you waiting for
Hey girls, girls - don't let them wait no more
Give them your signal - trigger that energy flow
Start the midnight madness - Cause we wana have fun

We wanna SHOUT SHOUT SHOUT when love is around
We wanna SHOUT SHOUT SHOUT and let it all out
We wanna SHOUT SHOUT SHOUT the reason is simple
SHOUT SHOUT SHOUT
