

Deadly As A Woman

Toyah

Deadly as a woman can be purgatory in motion
Sweet tastes of death drips from my dress
I'm a liar, I'm trouble
If something's going on
There I will be
Ticking like a time-bomb
Sentinel of your dreams
Burning intensely
I cradle you with fire
I'm as deadly as a woman can be.

Your trust in me makes me feel cruel to see you so reassured
I'm breaking every rule
I'm a liar, I promote pain
If something's going on
There I will be
Ticking like a time-bomb
Sentinel of your dreams
I hold you up when you could no longer stand
I'm as deadly as a woman can be.

Deadly like a woman can be no motivation like jealousy
Politics of truth and lies all in one
I'm a liar, I promote pain
If something's going on
There I will be
Ticking like a time-bomb.
