

Love Is The Law

Toyah

(Words Willcox / Music Bogen/Darlow/Spalding)

Love is an ocean
Love is a flame
Love is cruel
Love is vain
Love is the law
>From the lion's mane
Love is the law
To the tiger's claw
Love is the law
Love is the law...
So wrap your arms around me
Hold me warm and tight
This fatal fascination
Will make us orphans of the night
Love is the law
>From the lion's mane
Love is the law
To the tiger's claw
Love is the law
Love is the law...
Love is for fools
Love is for insane
Love is brutal
Love is a plague
It's fatal
It's fatal
Love is the law
Love is the law...
