

## Love Me

Toyah

Standing alone on a treacherous landscape  
A dissolute city screams sublime obscenities at me  
You, you won't love me  
If you won't pursue me through your streets  
Please abuse me, throw my body to the floor  
I don't want to be alone no more  
Deep, dark, empty corridors  
Swimming prisms full of light  
In the city  
Is the city alive tonight?  
Or am I alone as always is?  
In the night  
If you, you won't love me  
If you won't pursue me through your streets  
Please abuse me  
You're gonna throw my body to the floor  
I don't wanna be alone tonight  
Touch me  
Talking morals  
A dissolute city bleeds me  
Makes me feel paranoid  
?  
Illuminated booth ?  
You abuse me  
Throw my body to the floor  
You abuse me  
Throw my body to the floor  
Don't you like my bird shape  
Don't you like my body no more?  
??
