

# Soldier Of Fortune Terrorist Of Love

Toyah

Willcox/Lee)  
In my dreams there's a sleeping hunger  
The instincts of a hunter  
We raise our fists as one to the power of the gun  
Are you sinners or saints (Terrorist)  
Dripping hate (Of)  
Are you sinners or saints (Love)  
Do you really know  
Soldiers of fortune seal your fate  
The tears of ages still cascade  
Soldier of fortune's burning flame  
To let these lovers dance again  
In my dream a hand is on the trigger  
It rolls between my fingers to praise the holy one  
With the power of the gun  
Are you sinners or saints (Terrorist)  
Dripping hate (Of)  
Are you sinners or saints (Love)  
Do you really know  
Soldiers of fortune seal your fate  
The tears of ages still cascade  
Soldier of fortune's burning flame  
To let these lovers dance again  
Sinners or saints  
Do you really know  
Are you sinners or saints (Terrorist)  
Dripping hate (Of)  
Are you sinners or saints (Love)  
Do you really know  
Soldiers of fortune seal your fate  
The tears of ages still cascade  
Soldier of fortune's burning flame  
To let these lovers dance again  
Soldiers of fortune seal your fate  
The tears of ages still cascade  
Soldier of fortune's burning flame  
To let these lovers dance again
