Ooh, ooh, ooh, ooh, ooh baby  
Ow, ooh, ooh, yeah

[Chorus]

Until the end of time, I'll be there for you (oh)  
You own my heart and mind, I truly adore you  
If God one day struck me blind, your beauty I'd still see  
Love's too weak to define just what you mean to me

From the first moment I saw you  
Ooh, I knew you were the one  
That night I had to call you  
I was rapping till the sun came up  
Telling you how fine you look  
In a word, you were sex  
All of my cool attitude you took  
My body was next  
You made love to me  
Like you were afraid  
Were you afraid of me?  
Was I the first?  
Was I your every fantasy?  
That's why

[Chorus]

Until the end of time, I'll be there for you (I'll be there for you)  
You own my heart and mind, I truly adore you (I adore you baby)  
If God one day struck me blind, your beauty I'd still see  
Love's too weak to define just what you mean to me

When we be making love  
I only hear the sounds  
Of heavenly angels scream  
Tears of joy pouring down on us  
They know we need each other  
They know you are my fix (I know)  
And I know and/that you know I ain't joking baby  
They know this is serious  
I ain't fucking just for kicks, no  
This condition I got is crucial, crucial baby, please  
You can tear my house up  
Burn up all my clothes (you can burn up my clothes)  
Smash up my ride (you can smash up my ride)  
Maybe not the ride  
But I got to have your face all over the place (Do you think?)  
Do you think that I'm a man of exquisite taste  
A hundred percent Italian silk imported Egyptian lace  
Nothing dares, nothing dares to compare (Nothing could compare)  
To your lovely face (to your lovely face)  
Do you hear what I'm trying to tell you this evening?  
Trying, trying to say  
Just trying to say  
I'll be there for you

I'll be there for you  
Adore you  
Tell you what you mean to me

Every time you wonder  
Gave you my heart  
Beauty I still see  
Adore you  
Beauty I still see  
All the time I am with you  
Aww baby

[Chorus]

Until the end of time, I'll be there for you (until the end of time)  
You own my heart and mind, I truly adore you  
If God one day struck me blind, your beauty I'd still see (still see, yeah)  
Love's too weak to define just what you mean to me

[Chorus]

Until the end of time  
You own my heart and mind, I truly, truly, truly adore you, baby  
If God one day struck me blind, your beauty I'd still see (still see, yeah)  
Love's too weak to define, til the end of all time

[Chorus]

Until the end of time, I'll give you my heart, I'll give you my mind  
You own my heart and mind, I'll give you my body, yeah, I'll give you my time  
If God one day struck me blind, your beauty I'd still see
