

## Change

Tq

To all my peoples.  
I got a little story to tell.  
Straight from the ghetto.  
Some of y'all are gon' feel it  
Some of y'all ain't.  
It don't matter.  
I'm still gon' tell it.  
'Cause I heard a long time ago...  
A change was gon' come.  
And I know you been waitin'...  
They Never Saw Me Coming...  
That's the way it is.  
So we here to take you  
On a joy ride  
To the new millenium baby.  
Bow down to a new way of life.....  
Just wanna say thank you Jesus...
