

Darlin mary

Tq

So you're all in my mind
Let me tell you what your seeing
What seems so hard to find
Is just another part of me
When all of my friends come around
We like to just pass her, pass her
Don't have to be feeling down
On the day after
And we've always been together
Since I can remember
So, we'll stay the same
You've been salted up so bad
But I don't care what nobody says

[Chorus]
Darlin' Mary
You know I can't leave you alone
She makes me happy
And they say loving you is wrong
Darlin' Mary (Darlin' Mary)
Can't be mad at you, She puts me in a zone
And I wish I had got me
Just a little bit to take home
I love my Darlin' Mary

So you think it ain't right
Well let me explain
I love my Darlin' Mary
She makes my heart sing
Whenever I'm feeling lonely
I take a ride up the street
Give Kayo his twenty dollars
He gives Mary back to me
And she always stays a long time
'Cause she likes Phillies
Can't fuck with no zags
And when she runs out - no need to go crazy
Just give another bag

[Chorus]
Darlin' Mary
You know I can't leave you alone
She makes me happy
And they say loving you is wrong
Darlin' Mary (Darlin' Mary)
Can't be mad at you, She puts me in a zone
And I wish I had got me
Just a little bit to take home
I love my Darlin' Mary

Now, I've been taught not to love nobody
But ain't nobody like Mary (Nobody like Mary)
And I don't mean to be selfish but
I only like the best shit
So if you wanna get really lit
Put a ten on it, and we can go and get Mary

[Chorus]
Darlin' Mary
You know I can't leave you alone
She makes me happy
And they say loving you is wrong
Darlin' Mary (Darlin' Mary)
Can't be mad at you, She puts me in a zone
And I wish I had got me
Just a little bit to take home
I love my Darlin' Mary

[Chorus]
Darlin' Mary
You know I can't leave you alone
She makes me happy
And they say loving you is wrong
Darlin' Mary (Darlin' Mary)
Can't be mad at you, She puts me in a zone
And I wish I had got me
Just a little bit to take home
I love my Darlin' Mary

[Chorus]
Darlin' Mary
You know I can't leave you alone
She makes me happy
And they say loving you is wrong
Darlin' Mary (Darlin' Mary)
Can't be mad at you, She puts me in a zone
And I wish I had got me
Just a little bit to take home
I love my Darlin' Mary
