

# Better Than I Thought It'd Be

Trace Adkins

There's a stack of pizza boxes  
And cigarette stuffed beer bottles up on my TV  
But it's better than I thought it'd be

There's a pile of dirty laundry  
Where I got the clothes I got on me  
And they're almost clean  
It's better than I thought it'd be

[Chorus]  
I toss and turn half the night  
But the other half I sleep alright  
I eat enough to soak up what I drink  
I'm still lonesome I'm still blue  
And I'm still all tore up over you  
But it's better than I thought it'd be

You pretended not to know me  
When you saw me at the grocery  
Unexpectedly  
But it was better than I thought it'd be

And with every day that passes  
My love ain't as everlastin'  
As it used to seem  
Yeah it's better than I thought it'd be

[Chorus: x2]

Yeah baby it's better than I thought it'd be  
Better than I thought it'd be

Oh it's getting better  
Yeah  
I like cold pizza  
You know what else is better than I thought it'd be?  
Your sister  
Ha ha ha!
