## **Every One of You**

## **Trace Adkins**

You're Sleeping Beauty when I wake you with a kiss And you're Scarlet O'Hara when your hands are on your hips You're Marilyn Monroe when the wind blows your dress And you're I Love Lucy when your hair is all a mess

You're Thelma and Louise when you're behind the wheel You're a Paris runway model when you're walking in high heels And when I feel like Romeo, you're my Juliet Even if there's some of you I haven't met yet

I love every one of you The good, the bad, the funny The stormy, the sad and sunny I love every one of you

You're like an angel singing in this Sunday morning choir And you're a midnight dream, cotton sheets on fire You're my doctor, you're my teacher You're the answers to my prayer You're a lover, you're a fighter You're my best friend, I swear girl

I love every one of you The good, the bad, the funny The stormy, the sad and sunny I love every one of you Yeah, you know I do

I love every one of you The moody, the sane, the crazy Can't get enough of you baby Every one of you Every one of you I love every one of you
