

Happy to Be Here

Trace Adkins

So many close calls, dodging reckon' balls
They're ain't appeared for, I didn't fall through
Girl, there's no tellin' how, I ever made it out
And lived to talk 'bout the reckless things I use to do
Or to tell the truth

I shouldn't be alive, I've seen the other side
All I can say is, I'm just happy to be here
Wrapped in your lovin' arms just like an answered prayer
There's a God out there and I'm just happy to be here
Happy to be here

Baby, when I see your face, I'm in a better place
Girl, I'm so blown away that heaven came down to me
How'd I get so lucky?

I shouldn't be alive, I've seen the other side
All I can say is I'm just happy to be here
Wrapped in your lovin' arms just like an answered prayer
There's a God out there and I'm just happy to be here
Right with you baby, for the rest of my life

I'm happy to be here for the rest of my life
Right with you baby

I shouldn't be alive, I've seen the other side
All I can say is I'm just happy to be here
Wrapped in your lovin' arms just like an answered prayer
There's a God out there and I'm just happy to be here
Happy to be here for the rest of my life
