

## Happy to Be Here

Trace Adkins

So many close calls, dodging reckon' balls  
They're ain't appeared for, I didn't fall through  
Girl, there's no tellin' how, I ever made it out  
And lived to talk 'bout the reckless things I use to do  
Or to tell the truth

I shouldn't be alive, I've seen the other side  
All I can say is, I'm just happy to be here  
Wrapped in your lovin' arms just like an answered prayer  
There's a God out there and I'm just happy to be here  
Happy to be here

Baby, when I see your face, I'm in a better place  
Girl, I'm so blown away that heaven came down to me  
How'd I get so lucky?

I shouldn't be alive, I've seen the other side  
All I can say is I'm just happy to be here  
Wrapped in your lovin' arms just like an answered prayer  
There's a God out there and I'm just happy to be here  
Right with you baby, for the rest of my life

I'm happy to be here for the rest of my life  
Right with you baby

I shouldn't be alive, I've seen the other side  
All I can say is I'm just happy to be here  
Wrapped in your lovin' arms just like an answered prayer  
There's a God out there and I'm just happy to be here  
Happy to be here for the rest of my life
