## Happy to Be Here

## **Trace Adkins**

So many close calls, dodging reckin' balls
They're ain't appeared for, I didn't fall through
Girl, there's no tellin' how, I ever made it out
And lived to talk 'bout the reckless things I use to do
Or to tell the truth

I shouldn't be alive, I've seen the other side
All I can say is, I'm just happy to be here
Wrapped in your lovin' arms just like an answered prayer
There's a God out there and I'm just happy to be here
Happy to be here

Baby, when I see your face, I'm in a better place Girl, I'm so blown away that heaven came down to me How'd I get so lucky?

I shouldn't be alive, I've seen the other side
All I can say is I'm just happy to be here
Wrapped in your lovin' arms just like an answered prayer
There's a God out there and I'm just happy to be here
Right with you baby, for the rest of my life

I'm happy to be here for the rest of my life Right with you baby

I shouldn't be alive, I've seen the other side
All I can say is I'm just happy to be here
Wrapped in your lovin' arms just like an answered prayer
There's a God out there and I'm just happy to be here
Happy to be here for the rest of my life
