

One of Those Nights

Trace Adkins

Have you ever had one of those days
When you wake up feelin' good
So good that you could take the whole world on
One of those days when you just know
No matter what
Nothin' in the world could go wrong

Well that's the way I feel this mornin'
But, baby I just gotta say
I always have one of those days

After one of those nights
Just like last night
Oh my, what a beautiful thing
Just you and me
Those tangled sheets were wrapped around us
Baby, thanks to your love
It was one of those nights that leads
To one of those days that leads
Right to one of those nights, yeah

Have you ever had one of those smiles
You just can't wipe away
Those sweet anticipations too strong
One of those smiles you wear all day
'Cause you can taste
The kiss of passion waitin' back home

Well that's the one I'm wearing right now
But baby you always leave
One of those smiles on me

After one of those nights
Just like last night
Oh my, what a beautiful thing
Just you and me
Those tangled sheets were wrapped around us
Baby, thanks to your love
It was one of those nights that leads
To one of those days that leads
Right to one of those nights
When everything's perfect
(One of those nights)
When you want me, you touch me, you move me

After one of those nights
Just like last night
Oh my, what a beautiful thing
Just you and me
Those tangled sheets were wrapped around us
Baby, thanks to your love
It was one of those nights that leads
To one of those days that leads, right
One of those nights that leads
To one of those days that leads
Right to one of those nights, oh ho

One of those nights

(One of those days that leads right to one of those nights)

When everything's perfect

One of those nights

(One of those days that leads right to one of those nights)

One of those nights, babe

I need another one of those nights baby

(One of those days that leads right to one of those nights)

Another one of those nights
