

# Songs About Me

Trace Adkins

I met a guy on the red eye  
He spotted my guitar  
And said what do you do?  
I said, I sing for a living,  
Country music mixed with  
A little rock and a little blues  
He said I'm sorry  
But I've never been crazy  
'bout that twang and trains and hillbilly thing  
What ever made you want to sing stuff like that?  
I just looked at him and laughed and said

Cause it's songs about me  
And who I am  
Songs about loving and living  
And good hearted women and family and God  
Yeah they're all just  
Songs about me  
Songs about me

So I offered him tickets  
I said you'll see what I mean  
If you show up tonight  
He said I doubt you'll change my opinion  
I'll be kind of busy, but hey man, I'll try

Then later on when we finished our songs  
About scars and cars and broken hearts  
I saw him, he was standing there  
Right next to the stage  
And he shouted  
Man you were right  
It was like you sang those

Songs about me  
And who I am  
Songs about loving and living  
And good hearted women and family and God  
Yeah they're all just  
Songs about me  
Songs about me

So I'll just keep on singing  
'til I hear the whole world singing those

Songs about me  
And who I am  
Songs about loving and living  
And good hearted women and family and God  
Yeah they're all just  
Songs about me
