

# You're Gonna Miss This

Trace Adkins

She was starin' out the window of that suv  
Complainin' saying i cant wait to turn 18  
I'll make my own money and I'll make my own rules  
mama put the car in park out there in front of the school  
and she kissed her head and said i was just like you

your gonna miss this  
your gonna want this back  
your gonna wish these days  
hadn't gone by so fast

these are some good times  
so take a good look around  
you may not know it now  
but your gonna miss this

before she knows it shes a brand new bride  
in her one bedroom apartment and her daddy stops by  
he tells her its a nice place, she says itll do for now  
starts talkin bout babies and buyin a house  
daddy shakes his head and says, baby slow down

cause your gonna miss this  
your gonna want this back  
your gonna wish these days  
hadnt gone by so fast

these are some good times  
so take a good look around  
you may not know it now  
but your gonna miss this

five years later theres a plumber workin on the water heater, dogs barkin, p  
hones ringin, one kids crying  
ones screamin and she keeps apoligizin

he says they dont bother me ive got 2 babies of my own  
ones 36, ones 23, huh its hard to beleive

but your gonna miss this  
your gonna want this back  
your gonna wish these days  
hadn't gone by so fast

these are some good times  
so take a good look around  
you may not know it now  
but your gonna miss this

your gonna miss this  
oh yeah, your gonna miss this
