

Thanks For Asking, I'm Just Obsessed

Tracedawn

I wanna wake up dead in a swimming pool wouldn't that be fuckin
g cool Goddamn like a wolf I cry at the moon lunatic from the w
omb to the tomb What doesn't kill us makes us stronger then why
the fuck I ain't yet mega-man Blood, sweat, shame and tears at
least I'm singing in a rocking band

Rat brain, monkey hour, shark bait I'm such an asshole that peo
ple faint Looney tools, Friz the Cat, King Kong Kinky hallucina
tions are getting stronger

I must be losing my fucking mind - My skull's about to crack Yo
u're in love but I'm going blind - The good times ain't coming
back I really think I've gone insane - Hell yeah, I've got it b
ad Can someone show me how to numb the pain - Sanity is just a
dream once had

Don't ask me why 'cause you can't understand You'd know if some
one pissed on you life's poker hand Born under a bad moon of un
even numbers Superstition paranoia derail me from wonders

Waking up safe seemed a little mild My braincells freeze it's t
he call of the wild When it take a hike I prefer the green infe
rno 'cause our hearts get eaten by the long inverno
