

Without Walls

Tracedawn

I am standing here alone its so cold
My heart in this world alone
And my thoughts are my prison
I'm the one that's what I announced

I'm supposed to walk my own path
But too late I realized
You were the corner stone of my road
But now that path behind is too long

I wipe my wasted tears of ice
No one will wipe them for me
In my prison in my heart
I live inside me
Million times I've tried escape
Wall wall wall wall

I always wanted to write my own book
Wanted to keep the foreign ink away
You're the only one in my world
With warm blood in my veins

I wipe my wasted tears of ice
No one will wipe them for me
In my prison in my heart
I live inside me
Million times I've tried escape
Wall wall wall wall
