Terry

Tracey Ullman

Why'd you never listen to me?
I could be invisible to you
Anyway it doesn't matter now 'cuz I have met somebody new
Sorry if your heart is broken
Why's your mouth just hanging open?
Don't look so surprised, I found another guy
Terry wants my photograph
And Terry says our love will last forever
And he should know
That boy Terry's not the kind to mess around and change his min
d
Terry is as tough as Marlon Brando

Now he's waiting for me
I just had to break the news to you
You'd better hide your face a while
If he gets mad there's no telling what he'll do
You can see the door is open
So if you don't want your nose broken
You better go away 'cuz terry's coming round today ('Cuz terry'
s coming round today)
And Terry wants my photograph (Photograph)
And Terry says our love will last forever (Love will last)
And he should know (Terry said he'll never let me go)
That boy Terry's not the kind (Not the kind) to mess around and
 change his mind (Change his mind)
Terry is as tough as Marlon Brando
He's been making eyes at me, it started long ago
So when he said he loved me
I just had to say, "I know, I know, I know, I know, I know, I k
now, I know, I know, I know, I know, I know"

You thought you were such a smartie but terry knows about karat
e
There's other things he's good at too
Terry's not a bit like you
And Terry wants my photograph (Photograph)
And Terry says our love will last forever (Love will last)
And he should know (Terry said he'll never let me go)
That boy Terry's not the kind (Not the kind) to mess around and
 change his mind (Change his mind)
Terry is as tough as Marlon Brando
Terry wants my photograph (Photograph)
And Terry says our love will last forever (Love will last)
And he should know
