

I Like That

Tracie Spencer

My heart was made for you
On my lips you see your name
I adore you
When I need your affection
You send all your lovin'
In my direction

You gave your love to me
For all the world to see
And I like that (I like that)
You showed me how to love
A way that no one does
And I like that (I like that)

You call, send me the flowers
Whisper sweet things in my ear
Oh, baby
Every day you tell me things
That a girl likes to hear
You've given me everything
All I'll ever need
Oh, honey
You're on my mind all the time
Cause you're so good to me
Oh, oh, oh

I can't imagine to be without
The love you give to me
Oh boy I need you in my life
You fulfill my hopes and dreams
Promise me no one will take
Your precious love away
Cause I need your love
Here to stay

I like that
Bridge
I need your love
I need it
I like that
I like that
Oh, oh, oh
Yeah, yeah, hey, hey, I like that
Yeah, yeah, yeah, yeah, hey
Ah yeah, I like that
I like the way you walk
I like the way you talk
You know you mean so much to me
And I like that
I, I, I like that
Oh, oh, oh, whew
Baby...What?...I feel okay
