

Imagine

Tracie Spencer

Imagine there's no heaven
It's easy if you try
No hell below us
Above us only sky

Imagine all the people
Living for today, yeah, yeah

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for, whoa, no
And no religion too

Imagine all the people
Living life in peace, yeah, yeah

You may say that I'm a dreamer
Oh, but you know that I'm not the only one, no
I hope someday you will join us
And the world will be as one

Imagine all possessions
I wonder if you can
No need for greed or for hunger, whoa, no
A brotherhood of man

I want you to imagine all the people
Sharing all the world (Sharing it, woo, sharing it)

You may say that I'm a dreamer
Oh, but you know that I'm not the only one, no
I hope someday you will join us
And the world, the world will live as one

(The world, the world will be as one)
Like brothers and sisters
(The world, the world will be as one)
We're gonna be together as one walkin' hand in hand, ooh...
(The world, the world will be as one)
(Live as one)
The world will live as one
