

Nothing Broken But My Heart

Tracie Spencer

I've been over you for some time, now baby
I don't miss your kiss like before, now
Any more now if you ask me how I'm doin'??
I'm fine, all I needed was a little time
So if you think that I'll still need ya, baby
I really don't know why
Oh baby, since you left me I think
That my world's been torn apart
But if you see me, baby, you'll see
That nothing's broken, nothing's broken but my heart
You won't see no tears in my eyes, now baby
If you think I'm sad that you're gone now
Then you're wrong, now if you ask me if I'm happy
I'm free, tell ya that's the way I wanna be
And all those nights we shared together, baby
Well, they don't mean a thing
Oh baby, since you left me I think
That my world's been torn apart
But if you see me, baby, you'll see
That nothing's broken, nothing's broken but my heart
Oh baby, since you left me I think
That my world's been torn apart
But if you see me, baby, you'll see
That nothing's broken, nothing's broken but my heart
Oh baby, since you left me I think
That my world's been torn apart
But if you see me, baby, you'll see
That nothing's broken, nothing's broken but my heart
