

# Still In My Heart

Tracie Spencer

Oh, I just want you to know  
No matter where you go  
It doesn't matter  
Cuz you're still in my heart

Thinkin' of you  
Brings tears to my eyes  
Seems yesterday  
We were planning our lives  
I'm so confused  
Wonderin' why  
How could you leave  
Without sayin' goodbye  
Picture you smile  
Inside my head  
Still smell your cologne  
All over my bed  
Miss you so much  
I pray every night  
That the angels  
Are watchin' you  
& trainin' you right

Oh, I just want you to know  
No matter where you go  
It doesn't matter  
Cuz you're still in my heart

I sing to myself  
So nobody hears  
There's just no escape  
In the sound of my tears  
Miss you so much  
& every night  
I can't sleep  
It ain't right  
Memories keep holdin' me down  
They're just no fun  
When you're not around  
Don't know what to do  
Now I'm faced with the truth  
Somehow I thought  
That we would always be you & I

Oh, I just want you to know  
No matter where you go  
It doesn't matter  
Cuz you're still in my heart
