

Jumping Bean

Tracy Bonham

This damn bean won't jump for you, anymore
Jumping bean won't jump for you, anymore
Keep on moving

This damn pea won't split for you, anymore
Damn shine won't spit for you, anymore
Keep on moving, keep on moving

I can't be your jumping bean, anymore
I can't be your beauty queen, anymore
I won't jump for your team, anymore

This damn bush won't burn for you, anymore
Beer can won't learn for you, anymore
Keep on moving

This damn horse won't buck for you, anymore
Damn lips won't suck for you, anymore
Keep on moving, keep on moving

I can't be your burning bush, anymore
I can't be the one you touch, anymore
I won't be the perfect rush, anymore

I can't be your jumping bean, anymore
I won't be your beauty queen, anymore
I can't jump for your team, anymore

This damn bean won't jump for you, anymore
Jumping bean won't jump for you, anymore
Keep on moving

This damn horse won't buck for you, anymore
Damn lips won't suck for you, anymore
Keep on moving, keep on moving

I can't be your jumping bean, anymore
I won't be your crispy creme, anymore
I can't jump for your team, anymore

I won't wear that navy bean, anymore
I can't be your beauty queen, anymore
I won't be your hit machine, anymore
