The Real

Tracy Bonham

I know the sun's around To wake the dead You've got if anything A bigger head Most likely to perform Was who I knew But now it's you that I have to know Silly who ya know Has got away Sweet little who ya know Lives in L.A. Most likely to conceive Was who I knew But now it's you that I have to know Only the real world Is so unreal Only the real is real Pocket the business card Be on your way Pocket the smiling face And save the day Most likely to perform Was who I knew But now it's you that I have to know Only the real world is so unreal Only the real is real
