Don't be afraid darling you can tell me What it takes to make your world turn If you're willing there's time And if you're so inclined Just give me a sign

I wanna take love lessons baby from you Whatever it is you want I want to please you I wanna take love lessons baby real slow Teach me everything I need to know

Take my hand let's talk about us
Whisper soft what it is you're thinking of
I wanna hold you tight
Won't you show me how tonight
Let's turn down the lights

I wanna take love lessons baby from you Whatever it is you want I want to please you I wanna take love lessons baby real slow Teach me everything I need to know Teach me everything I need to know
