

Love, You Ain't Seen the Last of Me

Tracy Byrd

I been losin' my mind one love at a time
Gettin' up just to be knocked down
But with all of that pain I come back again
And I always go one more round.

Women, me and love
We just can't get it right
I might lose the battle
But I love the fight .

No love you ain't seen the last of me
I just keep comin' back to see if I can capture the dream
Yeah love you done all you can do to me
I don't give up so easily, no you ain't seen the last of me.

I got a big long list of all the times
I've missed when I zeroed in on love
And at times it seems like one heartache
Begins where the last one has just left off

And tonight it looks like another
One is aimed in my heart
And she's looking at me
And I'm feeling that feelin' start .

Oh, love you ain't seen the last of me
I just keep comin' back to see if I can capture the dream
Yeah love you done all you can do to me
I don't give up so easily, no you ain't seen the last of me.

And tonight it looks like another
One is aimed in my heart
And she's looking at me
And I'm feeling that feelin' start.

Oh, love you ain't seen the last of me
I just keep comin' back to see if I can capture the dream
Yeah love you done all you can do to me
I don't give up so easily, no you ain't seen the last of me.

Yeah, love you done all you can do to me
I don't give up so easily, no you ain't seen the last of me...
