

Ten Rounds with José Cuervo

Tracy Byrd

I walked in and the band just started
The singer couldn't carry a tune in a bucket
Was on a mission to drown her memory but
I thought no way with all this ruckus

But after one round with Jose Cuervo
I caught my boots tapping 'long with the beat
And after two rounds with Jose Cuervo
That band was sounding pretty darn good to me

Then some stranger asked me to dance
And I reveled to her my two left feet
Said "Don't get me wrong, I'm glad you asked,
But tonight's about me and an old memory

Then after three rounds with Jose Cuervo
I let her lead me out on the floor
And after four rounds with Jose Cuervo
I was showing off moves never seen before

Well, around five or round six
I forgot what I came to forget
After Round seven, Or was it eight?
I bought a round for the whole dang place

And after nine rounds with Jose Cuervo
They were counting me out and I was about to give in
Then after ten rounds with Jose Cuervo
I lost count and started counting again

One round with Jose Cuervo
I went two rounds with Jose Cuervo
Three rounds with Jose Cuervo...
