

Change

Tracy Chapman

1. If you knew that you would die today
And you saw the face of God and love
Would you change? Would you change?
2. If you knew that love can break you heart
When you're down so low, you can not fall
Would you change? Would you change?

How bad, how good, does it need to get?
How many losses, how much regret?
What chain reaction would cause an effect?
Makes you turn around, makes you try to explain,
Makes you forgive and forget, makes you cha-a-a-nge.
Makes you change.
3. If you knew that you would be alone
Knowing right, but being wrong
Would you change? Would you change?
4. If you knew that you would find a truth
That brings a pain, that can't be soothed
Would you change? Would you change?

Are you so upright, you can't be bent?
If it comes to blows,
Are you so sure you won't be crawling?
If not for the good, why risk falling?
Why risk falling?
5. If everything you think you know
Makes your life unbearable
Would you change? Would you change?
6. If you've broken every rule and vow
And hard times come to bring you down
Would you change? Would you change?
7. = 1. +
Would you change? Would you change?
8. = 1.
