

# Taken

Tracy Chapman

Should I try to take you in?  
Another fool brought to the fold  
With not a gaze or arms  
but deathlike grip to hold  
To hold  
To hold  
To hold

Should I try to take you in?  
And hope for the perfect docile pet  
Hope that you'll not defile or wreck my home  
Sweet home  
Sweet home  
Sweet home

Here there's only faith no doubt  
You can be taken anywhere  
Here is where you choose the place  
With pleasure and pain in equal share  
A refuge for truth and deceit  
Where all who come are taken in

Should I try to take you in?  
Pretending what you have not felt  
In passion sorrow sleep or death eyes closed  
Eyes closed  
Eyes closed  
Eyes closed

Here there's only faith no doubt  
You can be taken anywhere  
Here is where you choose the place  
With pleasure and pain in equal share  
A refuge for truth and deceit  
Where all who come are taken in

Should I try to take you in  
Who'll pity me if I forget?  
It's said to be and not to be in love  
Is to regret  
Regret  
Regret  
Regret

Here there's only faith no doubt  
You can be taken anywhere  
Here is where you choose the place  
With pleasure and pain in equal share  
A refuge for truth and deceit  
Where all who come are taken in

Should I try to take you in  
Who'll pity me in my regret?  
For those who've never been in love  
Need not forget  
Forget  
Forget
