

Getting Back Up

Tracy Lawrence

My heart is spent, my pride bent
Her love is gone and who knows where it went
And everyday is one more day
Little steps that I can barely take

They say falling out of love's
The hardest thing you'll ever do
But it's not true

It may be the fall that brings you to your knees
Yeah, the losing it all leaves you weak

Yeah, your heart drops and your world stop
When you're falling out of love
But it's not the fall that's so hard
It's the getting back up

I was okay at first then it started to hurt
And the getting better just kept getting worse
But as bad as it's been, I'm not givin' in
Slowly but surely I'm finding my feet again

Every minute's one more minute
I just made it through that's the best I can do

It may be the fall that brings you to your knees
Yeah, the losing it all leaves you weak

Yeah, your heart drops and your world stop
When you're falling out of love
But it's not the fall that's so hard
It's the getting back up

Yeah, your heart drops and your world stops
When you're falling out of love
It's not the fall that's so hard
It's the getting back up
