

# Guilt Trip

Tracy Lawrence

Don't need no atlas  
Where I'm goin' ain't up to me  
I'm just a passenger  
Ridin' with an old memory

I can stay in my pajamas  
Lay here on the couch alone  
I won't need my keys, ain't gonna be  
Leavin' the comforts of my own home

'Cause I'm goin' on a guilt trip  
Draggin' all the baggage she left behind  
Goin' on a guilt trip  
My heart's at the wheel and it's drivin' me out of my mind  
We're makin' record time  
I'm goin' on a guilt trip

I never know when I'm leavin'  
Or when I'll be comin' back  
I might go any time  
A guilty conscience is always packed

Just because you're lookin' at me  
Don't assume that I'm all there  
In the blink of an eye, I'll go back in time  
I can leave from anywhere, yeah

'Cause I'm goin' on a guilt trip  
Draggin' all the baggage she left behind  
Goin' on a guilt trip  
My heart's at the wheel and it's drivin' me out of my mind  
We're makin' record time  
I'm goin' on a guilt trip

And I'm goin' on a guilt trip  
Draggin' all the baggage she left behind  
Goin' on a guilt trip  
My heart's at the wheel and it's drivin' me out of my mind  
We're makin' record time  
I'm goin' on a guilt trip

I'm going, yeah  
On a guilt trip  
(Goin' on a guilt trip)  
I'm going, yeah  
On a guilt trip
