## **Guilt Trip**

## **Tracy Lawrence**

Don't need no atlas Where I'm goin' ain't up to me I'm just a passenger Ridin' with an old memory

I can stay in my pajamas Lay here on the couch alone I won't need my keys, ain't gonna be Leavin' the comforts of my own home

'Cause I'm goin' on a guilt trip Draggin' all the baggage she left behind Goin' on a guilt trip My heart's at the wheel and it's drivin' me out of my mind We're makin' record time I'm goin' on a guilt trip

I never know when I'm leavin' Or when I'll be comin' back I might go any time A guilty conscience is always packed

Just because you're lookin' at me Don't assume that I'm all there In the blink of an eye, I'll go back in time I can leave from anywhere, yeah

'Cause I'm goin' on a guilt trip Draggin' all the baggage she left behind Goin' on a guilt trip My heart's at the wheel and it's drivin' me out of my mind We're makin' record time I'm goin' on a guilt trip

And I'm goin' on a guilt trip Draggin' all the baggage she left behind Goin' on a guilt trip My heart's at the wheel and it's drivin' me out of my mind We're makin' record time I'm goin' on a guilt trip

I'm going, yeah
On a guilt trip
(Goin' on a guilt trip)
I'm going, yeah
On a guilt trip
