

If You Loved Me

Tracy Lawrence

I see the way he doesn't treat you right
I see the tears that you try to hide
I feel that heartache that you don't show
I wish I had a way to let you know

I would be a shoulder you could cry on
A heart and soul you know you could rely on
With every breath I'll ever take, I swear I'll never let foreve
r end
If you loved me, if you loved me again

There was a time I had it all with you
'Til it came undone, from what I didn't do
And now he's making the same mistakes
And when he loses you, if it's not too late

I would be a shoulder you could cry on
A heart and soul you know you could rely on
With every breath I'll ever take, I swear I'll never let foreve
r end
If you loved me, if you loved me again

With every breath I'll ever take, I swear I'll never let foreve
r end
If you loved me, if you loved me again
If you loved me again
