I know where I'm from,

CHORUS:

I come from the South,
It's deep down in the mud on the bottom of the map,
Southern born and Southern bred,
It's where I lay my Southern head,
Country fried with a simple mind,
Sittin' on the porch in the warm sunshine

2ND VERSE:

I come from a long line of hell raising and a good time,
My Daddy was a preacher man,
Good Lord he is a sinning man,
He taught me how to smoke and drink,
Mixing up shine on the creek bank

CHORUS:

I come from the South,
It's deep down in the mud on the bottom of the map,
Southern born and Southern bred,
It's where I lay my Southern head,
Country fried with a simple mind,
Sittin' on the porch in the warm sunshine
