

My Child

Trademark

I wonder who you are
And if you feel alright
Oh can you hear me talking
My unborn little child
For your mother and me
Life won't be the same
I try to give my best for you
As loving as I can

[CHORUS]

Because you're all I have my child
You're my life my joy my pride
And when you need me I'll be there for you
Because you're all I have my child
You're my life my joy and you're my pride
My deepest love
I'll always be with you
I promise to
It's hard to realize
That everything will change
There'll be no day without you child
I feel a little strange
But your mother and me
Give all our love to you
We're looking forward to you babe
Oh God knows that we do

Oh life will never be the same
This is more than just a game
I'll give you all the love I can
